Bradford County Launches New Tourism Website

July 1, 2009, Towanda - The Bradford County Commissioners and tourism committee are proud to announce the launch of the county's newly designed and updated tourism website. The site - www.visitbradfordcounty.com – went live on Friday, June 12.

Much time and effort went into the restructuring of the website. The Commissioners' Office in conjunction with the Tourism Committee worked closely for several months with the professional staff at CQ Services, a Sayre-based website hosting and development business, to create a site that will help the Bradford County visitor find everything they want to see and do while visiting the area.

The site is user-friendly, with easy to "surf" sections including See & Do, Shopping, Food & Wine, Lodging, and Maps & Guides.

The Bradford County tourism website was made possible through a room tax grant awarded by the Endless Mountains Visitors Bureau – the state and locally recognized tourism promotion agency for Bradford, Sullivan, Susquehanna, and Wyoming counties.

Any tourism-related business in Bradford County can be listed on this website and can do so by filling out the forms found on the site under "contact" or by contacting the Commissioners' Office at 570-265-1727,
