

MISSION STATEMENT

BRADFORD COUNTY DEPARTMENT OF PUBLIC SAFETY

It is the mission of the Bradford County Department of Public Safety to provide an efficient and affective emergency communications system through the 911 emergency system, which allows the residents of, and visitors to Bradford County immediate access to emergency services; To manage, support, and coordinate the various agencies, jurisdictional entities and personnel involved in everyday emergency preparedness activities or emergency response activity.

The mission of the Bradford County Department of Public Safety encompasses, but is not limited to, the following actions:

- To be responsive to the needs of the residents of Bradford County by serving the Board of County Commissioners as their “Chief of Staff” in emergency situations.
- To Support our citizens and first responders through resource and incident response coordination, emergency planning, and training.
- To ensure that as a County we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and to mitigate all hazards.
