Call-in Information

(877)853-5247 US Toll-free

(888)788-0099 US Toll-free

1) **Roll Call:**

2) **Minutes: August 18, 2020**

3) **Subdivision/Land Development Administration**

A.) **Monthly Report:**

B.) **New Application Acceptance** (*Indicates Modification Request)

-2020-054

Thomas R. Horn

South Waverly Borough*

PLANNING COMMISSION MEMBERS

• Glenn Aikens • Raul Azpiazu • Andrew Bishop • Warren Knapp • Don Murray • Mary Neiley • Robert Storch • Scott Williams • Theodore Pinkard

-2020-055	Michael & Louann Kilmer	Wyalusing Borough
-2020-056	Jon L. & Terrie A. Darrow	Springfield Township
-2020-057	Rebecca & Joseph Cantale	Albany Township
-2020-058	Richard & Mary Isbell	Ulster Township*
-2020-059	Richard F. & Stephanie M. Manchester	Orwell Township

C.) Visitors to be Heard:

D.) Subdivision Plan Reviews:

- **2020-054- Thomas R. Horn / South Waverly Borough-** The subdivision of lands of Thomas R. Horn is a 3-lot subdivision of a 31624.1240 SF parcel of land. Lot #1 (13926.0948 SF) is occupied by a house with a garage. Proposed Lot #12 (16310.4200 SF) is occupied by a church building that has been turned into a day care center.) Lot #1A (1387.6092 SF) is to be part and parceled to the adjoining lot #11, owned by Thomas R. Horn to form a single lot of 100725.7552 SF. All lots are serviced by municipal water and sewage services.

Action Needed: Modification Request from Section 401.11 “Street Widths. A minimum street right-of- way width for a private road is 50”

Justification: The right-of-way is to create a shared driveway to both buildings. There is not enough room to have a 50’ right-of-way.

Action Needed: Modification Request from Section 401.17 “Private roads are to be discouraged unless otherwise provided for in this Ordinance. Private roads will be accepted only under circumstances where the municipality does not desire to accept a proposed street or where the municipality feels a public street may be unnecessary and further where it serves four (4) or more users and must adhere to PENNDOT Local Road Standards”

Justification: This subdivision is to adjust the lot lines and separate the former church and rectory creating two parcels. The church is now a daycare center and the rectory is a vacant house. The 2 lots created (lots #1 & #12) will share a proposed 20’ right-of-way.

2020-058 Richard & Mary Isbell / Ulster Township: The subdivision of lands of Isbell is a two-lot subdivision of a 150-acre parcel described in Bradford County Inst. 200111060. Proposed Lot 2 (1.99 acres) is occupied by a house with on-site septic and water supply systems. Lot 1 is the remaining land. It is occupied by a house with on-site septic and water supply systems. The surrounding parcels in this area are generally used for agricultural and residential purposes. There is no sewage collection system in the vicinity of this subdivision.

Action Needed: Modification Request from Section 404.1 “All lots shall abut a street” for lot #2.

Justification: Lot # 2 will utilize a 50’ wide access easement for access from the private road (Farmall Lane)

E.) Land Development Reviews

- There are no Land Development Applications for the September 15, 2020 BCPC meeting.

F.) **Municipal Planning Commission Review:**

-There are no municipal reviews for the September 15, 2020 BCPC meeting.

7.) Old Business (*See summary*)

8.) New Business (*See summary*)

9.) Adjournment

(Communications Summary):

A. **Incoming:**

B. **Outgoing:**

Old Business Summary

2004 SALDO Amendments: The Community Planning and Mapping Staff is currently in process of performing an update to the Bradford County SALDO in coordination with the County Planning Commission. A draft

document was provided to the Planning Commission for comment on August 20, 2019 which contained the first two sections of the SALDO with new definitions for review. Updates will be provided periodically to the BCPC and public as the process is completed.

NBIS Local Bridge Inspection Program: The 2017-2021 NBIS Umbrella Agreement has been fully executed and will go into effect on January 1, 2017. This Program will ensure that all locally owned bridges are inspected at their needed interval for the next 5 year cycle. Inspections for the 2017 season have recently been completed and the final inspection reports are being reviewed by PennDOT for approval. The County currently has 22 bridges that are classified as structurally deficient. We are currently in the process of working with our engineers to weigh the options for reducing this number through a bridge bundling process.

County Act 13 Bridge Group Project: The County is currently undertaking an 8 Bridge Group Project wholly funded by the County's Act 13 Allocation. This project will replace 8 County Bridges simultaneously and will result in a 35% reduction in Structurally Deficient Bridges on the County roster, while also providing a significant cost savings. The project timeline is for Design to occur throughout 2018-2019 and Construction to follow in 2019-2020 when all the bridges will be fully completed. Phase 1 Construction is complete as of June 5, 2020.

Phase 2 has been bid for the remaining 3 Bridges. Bridges, 36, 44, and 51 received a total of 11 bids with the apparent low bidder being Susquehanna Valley Construction at a cost of \$ 1,377,144.43. The Commissioners awarded the contract on March 12, 2020.

Bridge #51 was open to traffic on August 10, 2020. Bridge #44 will begin Construction within the next week and is expected to take approximately 6 weeks. Bridge #36 will follow sometime in September.

County Bridge # 38 / Wells Twp.: This Structure is currently included on the adopted 2017-2020 Northern Tier RPO – TIP. It is slated to be replaced in 2020. This is a historic Structure which may cause some delays in the replacement process. Preliminary Engineering has completed the in-depth inspection of the structure and is now in a holding pattern waiting for approval to move forward as this bridge is attached to the Historic Metal Truss Bridge Management Plan. FHWA has reviewed the draft needs assessment and agrees the current structure does not currently meet the public need in the area. A re-scoping field view of the project is being held on November 18, 2019 to reclassify the project from rehabilitation to a replacement.

Bradford County Historic Metal Truss Bridge Management Plan: The County is currently undertaking the a Historic Metal Truss Bridge Management Plan being funded through the Federal Highway Administration (FHWA) as part of a Letter of Agreement with the PennDOT, PHMC-SHPO and FHWA to establish a project need and method of progression to clear the remaining County Owned Truss Bridges as required by the National Historic Preservation Act. This study will begin the clearance process for the remaining 6 historically eligible bridges owned by the County and includes Bridges: #6 (Burlington Township), #8 (West Burlington Township), #13 (Franklin Township), #27 (South Creek Township), #38 (Wells Township) and #41 (Wyalusing Township). The end result of this plan will be an in-depth needs assessment and long range management plan to address the issues associated with these structures. Public Outreach meetings have been held on the following Dates:

Bridge #38 – Wells Twp. – 9/3/2018
Bridge #27 – South Creek Twp – 9/5/2018
Bridge #13 – Franklin Twp – 9/10/2018
Bridge #41 – Wyalusing Twp – 10/2/2018
Bridge #7 – West Burlington Twp – 10/8/2018
Bridge #6 – Burlington Township – Public meeting was waived, Public Meeting held to Bridge Bundle was sufficient.

Plans have been approved by SHPO, PHMC and Consulting Parties. Management and Funding Plan will be developed in cooperation with PennDOT District 3-0.

New Business Summary

County Parks Master Plan and County Parks Advisory Committee:

May 6th Meeting Canceled due to COVID-19 Pandemic.

Previous Meeting was held on December 4, 2019.

Natural Gas Exploration Advisory Committee:

The next meeting is TBD. Meetings are being held in coordination with the Penn State Extension Natural Gas Webinar Series. These webinars are no longer held at regular intervals, meetings will be announced 7 days prior once the next webinar is scheduled.

The previous meeting was held February 27th, 2020.

Webinar from 1:00pm-2:00pm "Using Drones in the North Dakota Oil Fields"

APPLICATIONS ACCEPTED FOR REVIEW 2020
