

Bentley Creek Watershed Plan & Environmental Assessment Public Scoping Meeting

Date: March 11, 2021

Place: Virtual Meeting Using Ring Central

Information at Bradford County, PA website:

<https://www.bradfordcountypa.org>

Information at Chemung County, NY website:

<https://www.chemungcountyny.gov>

(Meeting information TBA one week prior)

Time: 10 a.m. for agencies and organizations

7 p.m. for general public

Local Sponsors: Bradford County Commissioners, Bradford County Conservation District, Village of Wellsburg, Town of Ashland, Chemung County Legislature, Chemung County Soil and Water Conservation District

The Bentley Creek Watershed Local Sponsors are working in cooperation with the USDA Natural Resources Conservation Service (NRCS) to develop a Bentley Creek Watershed Project Plan-Environmental Assessment (Plan-EA) to address flooding in Bradford County, Pennsylvania and Chemung County, New York.

A virtual public meeting will be held to discuss the Watershed and Flood Prevention Operations program, review planning activities to date for Bentley Creek, describe the various alternatives to be evaluated, answer questions and concerns about the planning activities, seek public input, and outline the planning schedule. NRCS, County, Town and District officials, and their consultant will present detailed information and discuss your questions and concerns. Please plan to participate.

For more information contact David Walowsky, State Design Engineer of the USDA Natural Resources Conservation Service at (315) 477- 6531 or david.walowsky@usda.gov.
