Public Notice

While reconciling the ballots totals and votes counted it was discovered that Seventy-Five (75) ballots that had been canvassed remained uncounted due to an unintentional human error. The Seventy-Five (75) ballots will be counted prior to the recount process beginning June 1, 2022 and will result in the vote total increasing by Seventy-Five (75) votes accounting for all votes cast. The purpose of this notice to provide full transparency, acknowledge an unintentional error was made and to advise that corrective action will be taken prior to the recount process such that all votes cast will be counted.
